Bible Talk Title Here

1 Corinthians 11:17-34 | Scott Taylor

The danger of testifying...

1. A warning to fortify not terrify (16:1-7)
2. The work of the Spirit in the world (16:8-13)
 1. sin
 2. righteousness
 3. judgement

3. God at work for his glory (16:12-15)

Application

A reminder - God's at work in the world today

A challenge - a truth passed down from God himself

A response - testifying no matter the cost.
