Esther 3 and 4 | Josh Bishop

Last week....

An evil man (3:1-6)

The Agagite

The wrathful

The plotter

An evil plan (3:7-15)

The divine dice

the accusation

the puppet king

God invisibly at work

For us

The cross – God's good through the world's evil

Confidence in prayer and in life

The Powerless Queen (4:1-15)

Living in isolation

Between a rock and a hard place

If I perish, I perish

For us

Life's defining moments of identity

Two responses

i) Repent and return to the Lord and his purposes

ii) living our true identity as transformed people of God
